October Fly Out to Cedar Key (CDK)

Eight Club members enjoyed a beautiful day of clear blue skies and calm winds on our first Fly Out of the 2010 – 2011 season to Cedar Key. The flyers made a brief stop on the way out at Crystal River (CGC) and Dunnellon (X35) on the way out. The weather could not have been better. Our November Fly Out is scheduled for Monday November 15 to Venice.
