

## **November 15, 2010 Venice (VNC)**

The last thing the FAA weather briefer said this morning was “It’s going to be beautiful day for flying”. He could not have been more right. The weather was clear and calm with visibility in the 10 to 15 mile range and the flying conditions could not have been better. Outstanding weather plus five aircraft and eleven Aviation Club members guest made the second Fly Out of the 2010 -2011 year a success. Our trip to Venice was wonderful.

Those making the flight included:

Don Field Pilot, Cessna 172

Dave Jones Passenger

Jack Sample Pilot, Piper Archer

Brian Mullady Passenger

Larry Harman Pilot, Piper Cherokee

Jack O’Reilly Passenger

Nelson Bailes Pilot, Piper Cherokee

Randy Passenger

Marty Edelman Pilot, Trinidad

Gene LasKowitz Passenger

Dick Oliver Passenger

When we got to Venice, Marty’s bright red Trinidad got front row parking. The ramp attendant knew a thoroughbred when he saw one.

At this time, I’m not sure where the December Fly Out. Keep checking the web site or attend the December Club meeting for details.

Thanks,  
Jack Sample
