

Fly Out to Albert Whitted (SPG) Airport in St. Petersburg. Due to High Winds out of the West, and the closing of runway 27 at SPG on Monday 5/16, the Fly Out was cancelled on Mon. and rescheduled for Thurs., 5/19. Out of the original 7 planes, only 3 were able to reschedule and make the Thursday flight.

The weather was perfect and it was a perfect day to fly along the coast of the Gulf. We had a great lunch at a restaurant out on the St. Pete Pier, and then a tour off the town on the Shuttle Bus.
